On Monday, 34 students from Years 2 to 6 attended the Zone Athletics Carnival which was held at Alexandra Park in Albury.

All students performed at their best and came away from their events feeling very proud of their achievements. We would also like to congratulate all student’s for their excellent behaviour on the day. Well done to every one!

The weather was fabulous and it was good to see family and friends come along and show their support. Thank you!

Not all results are confirmed as yet but the following student’s results are:

- Justin M 1st in 800 mt Jnr Boys
- Bailey P 2nd in 800 mt Jnr Boys
- Chase C 1st in Shot Put Jnr Boys

Thank you to our family and friends who came along and supported us.

Thanks to Miss Wilson and Mrs Purse-Semple for organising us at the carnival.
FROM THE CLASSROOM

Class Kinder
In L3 we are learning how to predict what might happen in different stories. We are trying very hard to use our imaginations. We are focusing on when to use capital letters and full stops in our writing. In Maths we have been learning about length as well as our daily number activities. In HSIE we are looking at important people in our lives and reasons why they are important. We chose a special person and made them in our Art session. In Library we made a ‘Venn’ Diagram comparing two stories that we have worked on. We had to work out what was the same in ‘Koala Lou’ and “Possum Magic” and what was different. Keep reading with your child daily and revise the sight words on their butterfly charts so they are familiar with them when reading and writing.

Felicity Boughton

Class K-1
K-1 are hooked on Literacy! We are very busy concentrating on capital letters, finger spaces and full stops. A fun way to keep learning would be to play ‘Eye Spy’ on the way to and from school or at the supermarket. In Numeracy we are equally as busy learning skip counting by 5’s and 10’s and we are learning to count backwards from 30. Well done for excellent Home Reading!

Trish Rawlings

Class 1-2
Year 1-2 have been working hard finding out about the past. We have interviewed our Grandparents to find out what games they played and we enjoyed learning some of them ourselves. In Music we have been playing the tuned bells and working as a team to produce great sounds. Verna McGrath & Karen Pontt

Class Yr 2
Thank you to our families and friends who came along to watch us perform at the last assembly. During Literacy we are sharing lots of Fairy tales and Rhymes to help us with the new text we are studying by Libby Gleeson called “Where’s Mum?”. In Maths we have been working with tally marks to help us in our graph work. This week we surveyed some classes in the school and recorded our results using the tally marks. Congratulations to Savannah, Mazzy, Joshua and Ryan who attended the Zone Athletics Carnival and represented our school. Louise Purss-Semple

Class Yr 3
In Year 3 we have loved reading the story “The Day the Crayons Quit” written by Drew Daywalt. We have been writing some very funny letters to the crayons!! Well done to Year 3 for their maturity and determination during the NAPLAN testing. We are all relieved that it is over.

Joanna McAlister

Class 3-4
The Year 3-4 students have been working on Descriptive Writing. As a class the students have created some amazing descriptions on animals. In Maths we have started understanding the ‘borrowing’ in subtraction and we are progressing nicely. Congratulations to those who attended the Zone Athletics Carnival. Mr Giese will be returning at the end of next week and I would like to thank all the students, staff and parents for making me welcome whilst on Year 3-4 class.

Carin Braines

Class 4-5
In Personal Development and Health this term we are learning about areas of ‘Safety’; - personal, road, pedestrian and water safety. In Maths we are focusing on multiplication and solving problems both mentally and using formal written methods. All students are encouraged to read every day both at school and at home. All students have access to borrowing readers and books from the library, so please encourage your children to read for fun. Please ensure that your child is prepared for school each day as students equipment may need replenishing. Emma Wilson

Class 5-6
This week in Science we made electrical circuits using batteries, wires and bulbs and we got to experiment with all different combinations. In HSIE we are looking at Australia and it’s trading partners and seeing how important trade is to our nation. In Maths we are working with Roman Numerals and Prime and Composite numerals. Please remember to make your regular payments for the Canberra excursion. Janelle Doust
Zone Cross Country

**Date:** Thursday May 29, 2014

**Venue:** Albury Equestrian Centre (Corry’s Road)

**Time:** Leave the school at 12.00pm, Events start at 12.50pm
Return after the cross country approximately 2.30 pm

SRC News...

WE HAVE PLANS!!

Now that the school has the security fencing, we are very excited about being able to make great changes/improvements in the playground.

Mrs Doust, Miss Farmer and the SRC members will do a walk around the school and look at areas that will most benefit, with changes to current play zones and improvements to the play equipment and new areas put in place.

We would like to thank everyone who has supported our SRC in the past and hope that with future fundraisers, we can start new projects soon.
