Students in roll class 1-2 & Year 2 had the opportunity to go on an excursion to Holbrook last Wednesday. Mrs McGrath and Ms Paterson organised the educational and fun day out for the children, with the excursion covering the HSIE subject ‘The Way We Were’.

Students had the opportunity to partake in the ‘Yarn Bombing’ of the Holbrook submarine by hanging some of their YELLOW finger knitting and pom poms, as part of the official ‘Yellow Yarn Bombing’ event that took place the following day. They also enjoyed the Woolpack Museum, a train ride and a picnic in the park.

Thankyou to Mrs McGrath, Ms Paterson and Mrs Spinelli for a great day.

We would also like to thank Katrina for all her work in preparing an excellent morning tea for us. It was yummy!

FROM THE CLASSROOM

**Class Kinder**
In Reading and Writing we are looking at the use of punctuation. In Maths we have been learning about place value. Some groups are working on 3 digit numbers which is pretty amazing in Kindergarten! In Library we re-read ‘Lucy Goosey’ by Margaret Wild, then watched a YouTube clip of migrating geese and learnt lots of new facts. In PE we are still focusing on the fundamental movement skill of sprinting. We used the baton for relay practise and played some fun games. We hope you enjoyed our assembly today!  
*Emma Carroll*

**Class K-1**
K-1 Literacy focus this week is all about opposites, rhyming words and capital letters. Numeracy is all about division and multiplication. Our book of the week is ‘Echo’ and it is a very enjoyable children’s book, which incorporates many hidden morals. The personal attribute we are focusing on is being respectful to ourselves, each other and our property.  
*Trish Rawlings*

**Class 1-2**
Last week Year 1-2 & Year 2 enjoyed an excursion to Holbrook and we travelled by bus. First we enjoyed morning tea, a play at the park and a train ride. Then we visited the Woolpack Museum where we saw lots of interesting things from the past and the old school was a favourite. From there we went to the submarine HMAS Otway which was in the process of being yarn bombed, to celebrate 50 years since the Beatles had visited Australia. We found the pom-poms that we had made and enjoyed seeing other knitting and crochet pieces being attached to the sub. We had a fabulous day!  
*Verna McGrath & Karen Pontt*

**Class Yr 2**
Year 2 had a great time on the Holbrook excursion last week. We really enjoyed seeing our yellow yarn all over the Submarine-making it the ‘Yellow Submarine’ as in the song by the ‘Beatles’. We had a great time visiting the museum and we would like to thank Ms Paterson and Mrs McGrath for organising the excursion. In Maths we have been learning about halves and quarters. It’s been fun cutting things into different fractions.  
*Louise Purss-Semple*

**Class Yr 3**
Another busy term is almost over! Year 3 has had a successful term and everyone deserves their well-earned holiday! Next term promises to be another busy and exciting term with our concert preparations under way. Year 3 will be doing a Shrek Medley, so start putting your thinking hats on for costumes for this special concert!! Happy Holidays to everyone!  
*Joanna McAlister*

**Class 3-4**
Last week we had our class speeches and everyone put in a good effort and showed improvement from their first term’s speeches. The highest scores were achieved by Rachael, Montana, Ashmeet and Royce. *Well done!* We have done a mini-project on Brazil, which is the home of the Soccer World Cup and the next Olympics. In Science, as part of our unit on ‘Built Environments’ we made houses and arranged them into villages.  
*Bill Giese*

**Class 4-5**
Our class has had the wonderful opportunity to have Mr Tassle, a Charles Sturt Uni student, teaching and helping us in class until the end of this term. Students have taken home notes about our item ‘Mary Poppins’ in the school performance coming up in Term 3. The note outlines the costumes we require for the performance. If you are unable to provide any parts of the costume please return the note by the end of term. In Maths we have been looking at fractions, decimals and percentages and relating this maths to every day situations.  
*Emma Wilson*

**Class 5-6**
Congratulations to all students who have completed their research projects. It is great to see the effort some students put into their work. We have completed some excellent artworks this term and enjoyed making circuits and switches in Science. I will be on Long Service Leave next week so I wish everyone a safe and happy holiday and look forward to another busy term when we all get back.  
*Janelle Doust*

**Library News**
Borrowing from the Library has now ceased for Term 2. All books are now due to be returned and missing and damaged books paid for. Accounts will be mailed out in Term 3. Year 2 has been busy reading texts by our Term 2 focus author, Jackie French. Her books are beautifully illustrated by Bruce Whatley and the children have enjoyed hearing about the wonderful animal characters Jackie has created. Many of the characters are modelled on animals she owns as she is a great animal lover. One such text was *Pete the Sheep*. The children enjoyed hearing about Pete’s adventures as a ‘sheep-sheep’ as he worked alongside his owner, shearer Shaun, in the shearing shed much to the horror of the sheep dogs who couldn’t believe a sheep was doing the job of a dog in rounding up the sheep. The children focussed on learning how a shearing shed worked, sequencing events in the story and the sound *sh* for sheep.

Congratulations to the following students on their Library monitor awards:  
Year 2 - Daria B, Year 3 - Emily C, Year 3- Montana E  
Year 4-5 - Isabelle C, Year 5-6 - Shaneika P.  
Happy reading! Mrs Kay

Student Banking
Wednesday July 23 is the first day for student banking again in Term 3. Please remind your child to hand in their bank books on arrival to class so they don’t miss the banking pickup.

PLEASE Label Everything Your Child Brings to School
We would like to remind families again of the importance of putting names on everything that children bring to school. This cannot guarantee that your child won’t misplace jumpers, lunch boxes, drink bottles etc... but it will ensure that we can return it to the right owner when found.

We also ask that all families check the names on clothing coming home due to occasions when a child has mistakenly taken the wrong jumpers or jackets home and not noticed the name on the clothing.

Please help us by checking clothing regularly and returning it if it is not yours. It is expensive to keep replacing items and we would like families to help us to help you.

Family Details Update
Please remember to update your information with the school if you have changed phone numbers, address, family situations, work place, emergency contact persons or new health conditions for your child. To be able do our best for your child, it is important that our information is correct.
