We are very proud of all our students who performed in the concerts last week. We have had wonderful feedback from families about both concerts and we have already had lots of families asking for the DVD to send to their extended families. There was tireless hours that went into making such an event come off and we can’t thank all our helpers enough for the extra support that they gave toward their child’s classes or in any other way behind the scenes.

Thank you to all the families and friends that came along (some to both concerts) and supported this big event in your child’s school life.
I didn't like King Pig because he was very mean to his slaves. The mean King made the sheep do everything and the sheep got very angry at King Pig. Then he was sorry.

**Class Kinder**

In Reading and Writing we are working hard on using adjectives to describe different things. In Maths we are working on measurement and our focus is length. In Library we are looking at the Henny Penny story and enjoyed watching Henny Penny on YouTube. We hope you enjoyed our school concert as much as we enjoyed putting it together and practising. It’s hard to believe we have only two weeks of school left until the end of Term 3! *Emma Carroll*

**Class K-1**

A super big round of applause for K-1 on performing so beautifully at our *Movie Magic* concert. It shows how dedicated all students were at working and practising as a team to deliver such a wonderful performance. Just a reminder that home reading remains the number one priority for Literacy and is a fundamental practice to ensure successful readers. During Numeracy we will be revising our learning from this term. Don’t forget that the DVD order form is out now. *Trish Rawlings*

**Class 1-2**

Congratulations to Year 1-2 on a fabulous performance in this year’s concert. We are very proud of you all. In HSIE this week we are looking at how building shelters can damage the environment. In Maths we are using formal and informal units to estimate, measure, compare and record lengths and distances. Now that the weather is getting warmer, don’t forget to apply sunscreen and wear hats so we can all enjoy this beautiful Spring weather. *Kate Wells & Karen Pontt*

**Class Yr 2**

Well the production was a HIT last week and I am so proud of the outstanding efforts all the Year 2 students put into our dance *Walk the Dinosaurs*. We really enjoyed performing in front of an audience and especially dressing up in our costumes and getting our hair and makeup done. Thanks to the parents who helped with our preparation for the big night and to Mrs Paterson and Miss Kaur (School Counsellor) for helping as well. Now back to the swing of things and we will be focussing on our creative writing and self editing work in Literacy and doing some problem solving in Maths. We have been enjoying our gymnastics each Thursday at the Flyaway Gym with the highlight being the foam pit! Check out our pictures in this newsletter. *Louise Purss-Semple*

**Class Yr 3**

Year 3 enjoyed the concert and judging by the feedback, so did the parents and families! Well done to everyone! In Literacy we are discussing different text types. We have been writing explanations and researching this on the computer. We have also been discussing procedures and we will be making jelly and rocky road this week! Yum! Now that’s worth writing a procedure about. In Maths we have been collecting data and reading graphs. Sometimes it can be a bit tricky deciphering what colour hair people have! We are continuing to learn our times tables. Please practise 3x and 4x tables with your child. They love it! Have a great week! *Joanna McAlister*

**Class 3-4**

Congratulations to everyone in the class for their efforts in the whole school concert. We hope that everyone who came along and saw it, enjoyed it. We will be getting back in to regular class routines now. In Science we are doing ‘Simple Machines’ and in HSIE we are doing ‘Cultural Beliefs’ with Mrs Kay. In Maths we have done a lot on times tables and number facts and it is great to see many children have an instant recall in this area. *Bill Giese*

**Class 4-5**

The concert DVD purchase order form has now been sent home to all families. Please have your order and money in by 12 September to the office or the class teacher. In Maths we are learning how to answer division problems and the children have found that knowing their tables is important. In Science we have been experimenting with simple machines and discovering how they make everyday tasks easier. *Mrs Diana Voss will be on class 4-5 for the rest of the year as of tomorrow Friday 5 September.* *Emma Wilson*

**Class 5-6**

Congratulations on your excellent performances last week. It was so much fun learning the routine and your enthusiasm was great to see. In Maths Year 5 are learning about percentages and equivalent fractions and Year 6 are learning about negative numbers ad reading timetables. Our reading groups are working well and it is pleasing to see the progress of each student. Please encourage your child to read every night– it’s a great habit to get into. *Janelle Doust*

**Library News**

Congratulations to the following students on receiving their Library Monitor award.

*Year 1-2 Ethan H, Year 2 Hahona W, Year 3 Bailey P, Year 3-4 Cassandra C, Year 4-5 Brooke M, Year 5-6 David S.*
